# DEDICATION . . .

Mr. Fred Larason, Mrs. Loraine Swann, and Mr. Warren Coy

After 32 years of teaching and counseling at M-RH, Mr. Warren Coy plans to retire to Cuba, Mo., where he and his wife have built a home.

Mr. Coy has been a full-time counselor for 10 years. Before that he was a part-time counselor for 10 years. He got involved in counseling because he has "always been interested in trying to help students solve their problems and in talking with them." He began working on a degree in counseling in the early 1940's.

Mr. Coy first started teaching in a rural school in 1933. All eight grades were in one class. After teaching at Riverview Gardens, he left for one year and went to work in the personnel department at Sunnen's. He applied for a position at M-RH in 1943. He first took a job as a physical education teacher. Later, when a social studies vacancy occurred, he changed to that field. Besides counseling, Mr. Coy also has coached freshman basketball and helped coach track.

In his years of teaching, Mr. Coy has had no regrets. He said, "If I were to relive my life, I think I would follow a similar route." He enjoys being with people and helping them. For Mr. Coy it has been a happy, busy and full life of helping people learn from books and from life.

Mr. Fred Larason will also be ending his last of 32 years at M-RH. He has been teaching science since he came to M-RH.

Mr. Larason originally wanted to be an engineer. However, the depression hit while he was attending Maryland College. He stayed there because it was less expensive than transferring to another university to work on an engineering degree. Before coming to M-RH, Mr. Larason was the superintendent of schools in Oregon, Mo. He decided that he preferred teaching to administration. He heard of an opening at M-RH from a friend and so came to M-RH to begin his first of 32 years.

Mr. Larason has not only been a teacher. He coached two athletic teams. For 27 years he coached B team basketball and for five years he was the varsity baseball coach.

Mr. Larason and his wife are going to move to Indian Hills Lake in Cuba, Mo., after his retirement. He plans to do a lot of fishing, golfing, gardening, traveling, and beating Mr. Coy in bridge. Mr. Larason said that he will miss the students, the staff and the athletics, all of which have been a part of his life for so many years.

In June, Mrs. Swann completes 18 years at M-RH. She began her teaching career in North Carolina and completed seven years in two elementary schools. After moving to St. Louis, she taught first grade at Bruce school. She then became a substitute in this district for four years. She substituted in every grade and in every type of class, including shop. Later she became a full-time teacher of social studies classes and then English classes. Now she teaches English to freshmen.

Mrs. Swann believes that high school is the student's opportunity to learn. Mrs. Swann feels that the biggest change in the students has been that a few more students are not as ambitious. She said, "M-RH students are fine young people and 90% are good citizens."

Mrs. Swann feels M-RH is a fine school. She has never made a request for supplies that hasn't been furnished. The school has always had a good faculty and her association with all the teachers, from those who have retired to the new young teachers, has enriched her life.

Mrs. Swann's plans after retiring are to relax which includes sleeping late. She wants to become more active in the church, join ladies' clubs, visit her children in California, and garden. Mrs. Swann may also continue teaching a course for high school equivalency which she now does one night a week.

Together, Mr. Warren Coy, Mr. Fred Larason, and Mrs. Loraine Swann have spent 82 years as educators at M-RH. They have been dedicated to giving their students the best possible education and guidance. M-RH will truly miss these three people who have given so much to others.

We proudly dedicate the 1975 yearbook to these three educators who will long be remembered.

The weather for homecoming was the best in years. Our Blue Devils defeated the Brentwood Eagles following the parade through Maplewood.

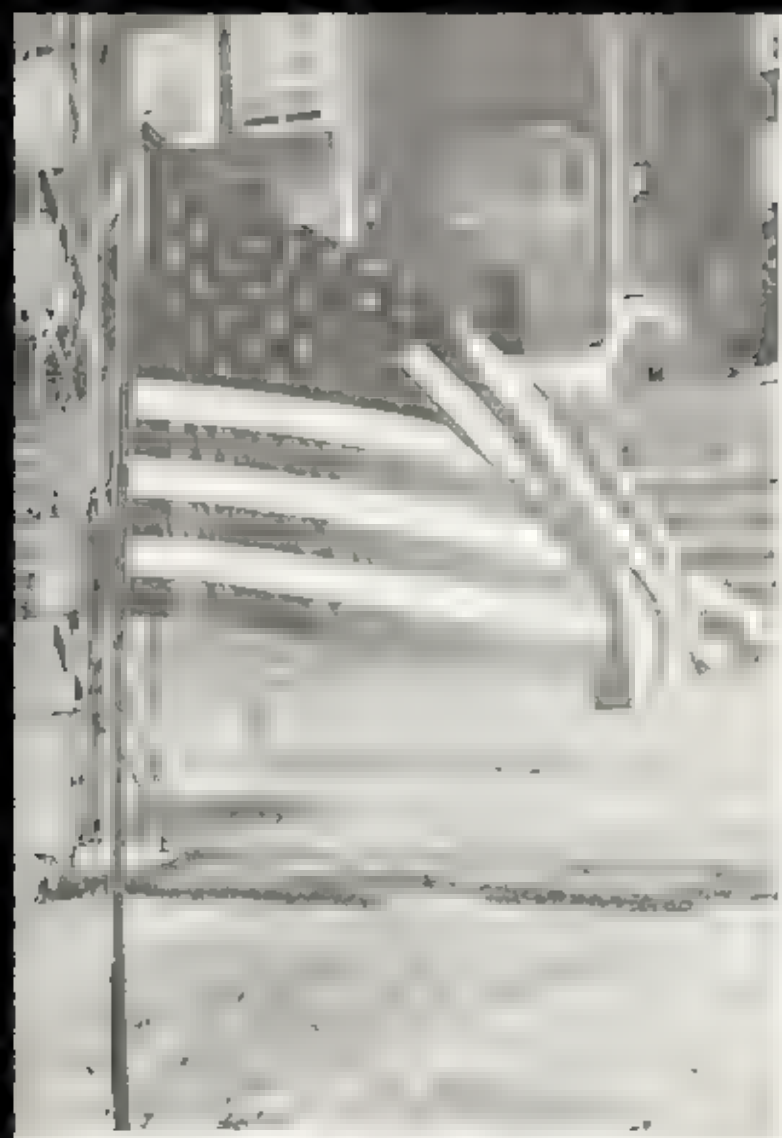

Tina Martin was crowned 1974 Homecoming Queen at the dance, October 26. For the first time in many years the student body of M-RH elected their homecoming queen. It was the type of homecoming that most Maplewood students will remember for a long time. Brentwood is not likely to forget it either.

"O call back yesterday, bid time return."

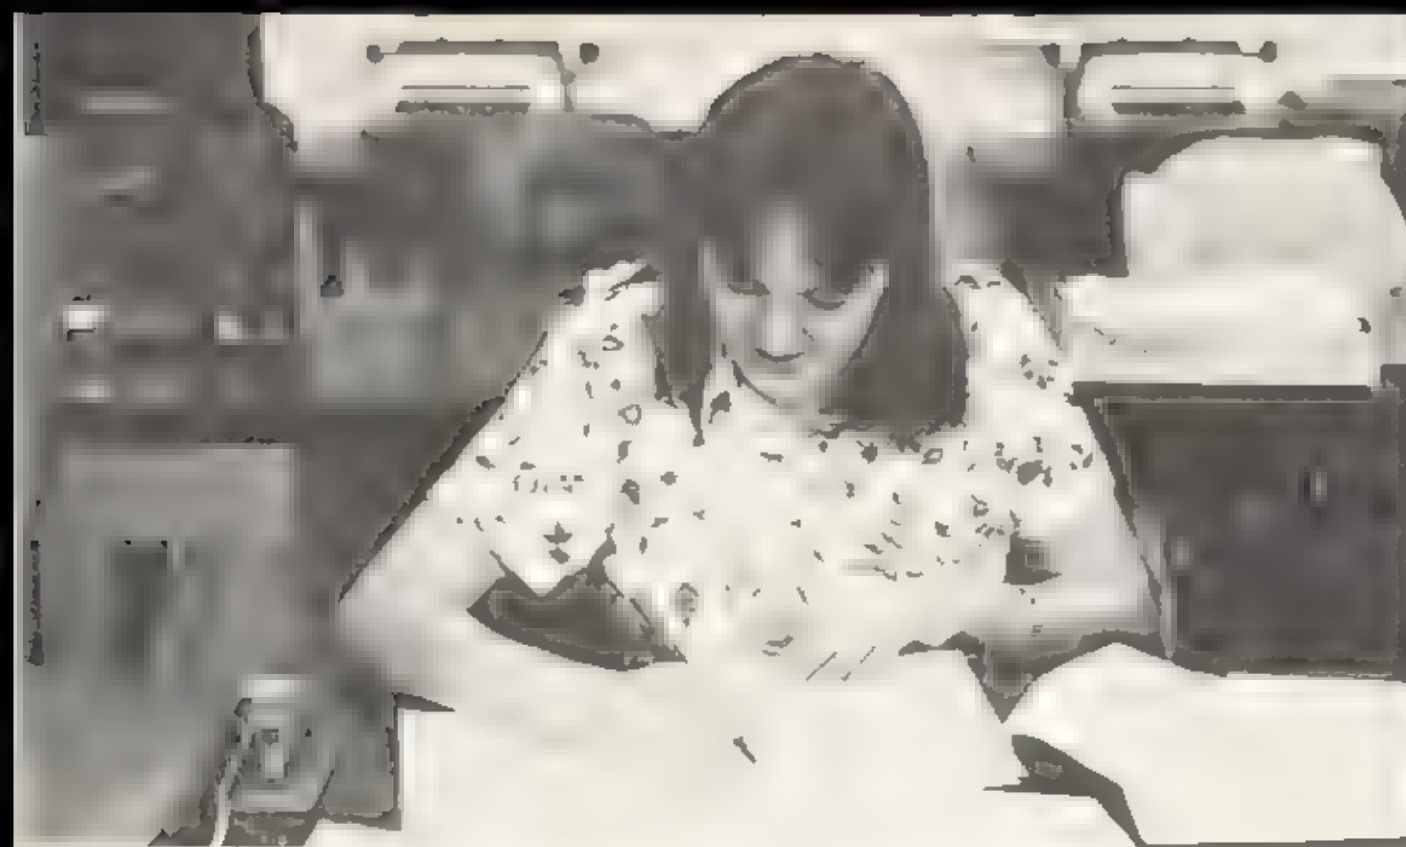

Gathering memories of the school year and placing them at a standstill to be called back in a moment when paging through an annual. This is the purpose of a yearbook, bringing memories back to its holder.

The yearbook staff works together to compile the events of the school year in a type of history book, using pictures to illustrate each event and writing us reminders of the event.

One can look at a yearbook and reminisce.

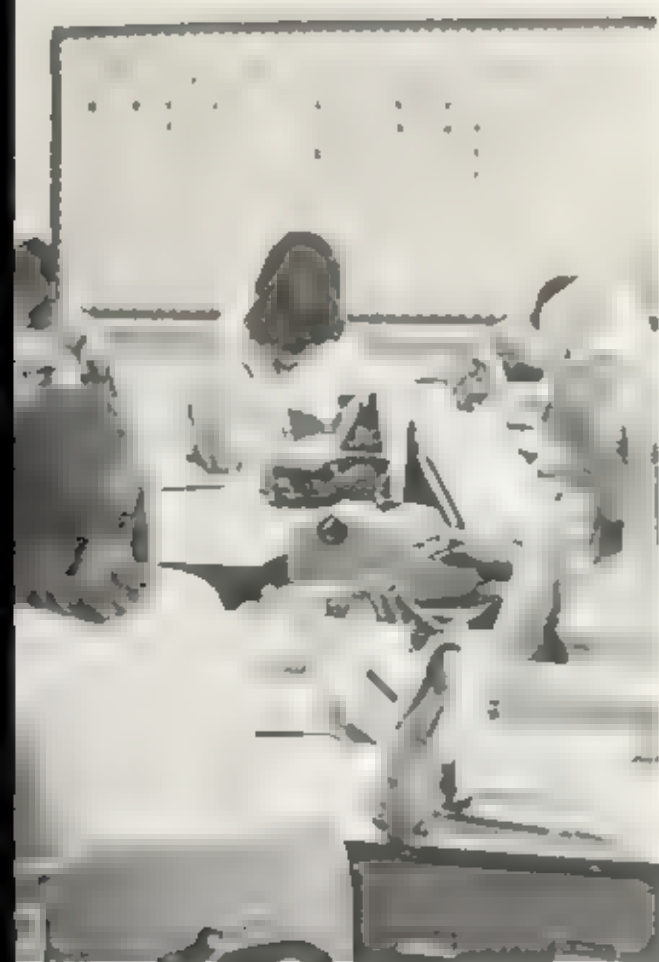

## V.O.E.

The V.O.E. program gives students involved in vocations a chance to get on the job experience. The student goes to school for half day sessions which includes 2 hours of office practice class. Miss Joyce King is the teacher in charge of this program.

## *C.O.E.*

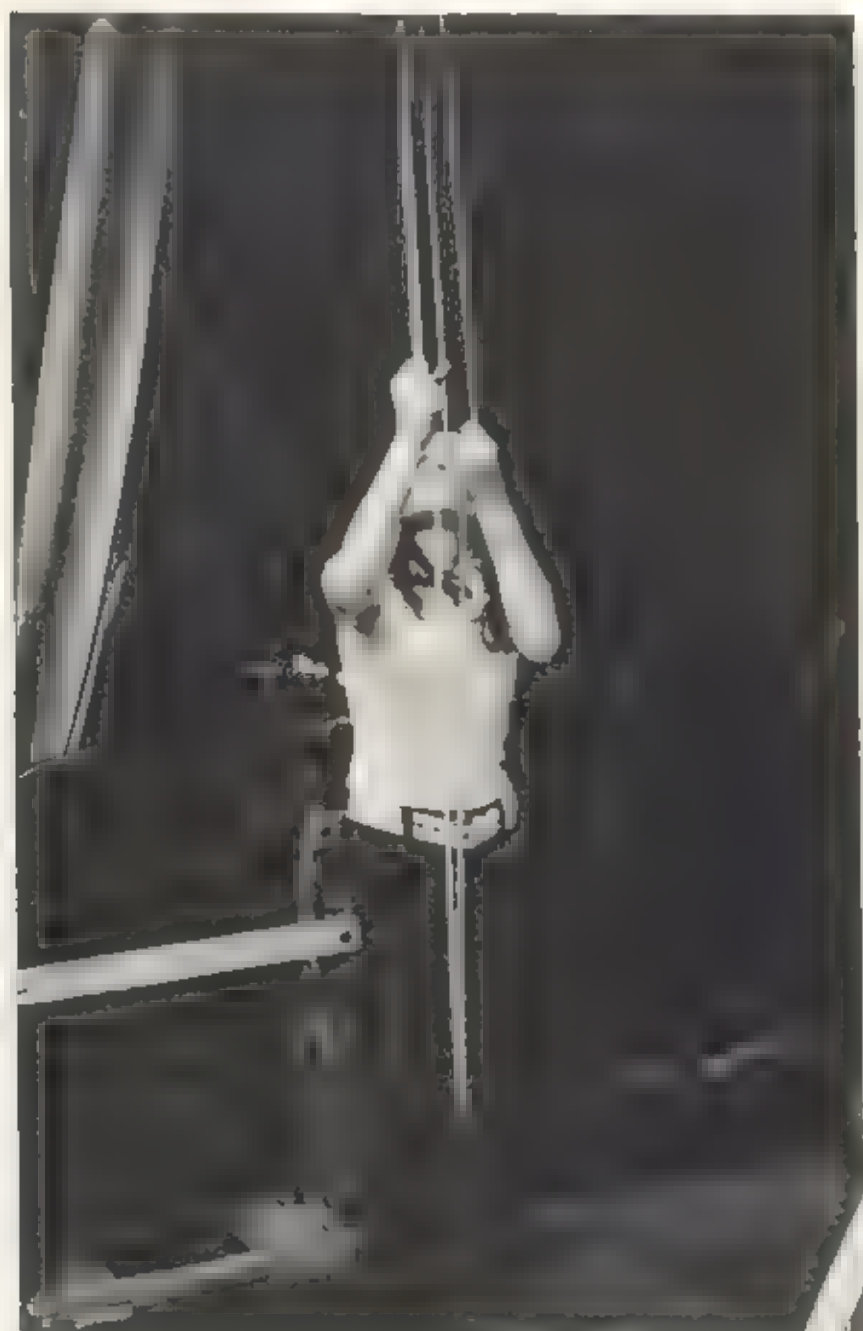

The C.O.E. program supervised by Mr. J. C. Walters is designed to give students work experience and still attend classes. There are a variety of jobs that range from street department work to book work. C.O.E. students attend classes in the morning and then go to work in the afternoon.

# STAGE CREW

A most important service group at M-RH is the Stage Crew. This industrious group prepares the auditorium for concerts, programs, assemblies, and any community activity. The Stage Crew is made up of volunteers who spend a lot of their time in setting up microphones, lights, and risers. Mr. Paul Cochran sponsors the group and keeps a trained group of students on hand for every activity. There were eight new members (flunkies) this year who were trained by Mr. Cochran and the older members.

## DRAMA WORKSHOP

"All the world's a stage and all the men and women merely players. They have their exits and their entrances, and one man in his time plays many parts." Everyone in Drama Workshop has a part. The members are the actors, actresses, and stage crew that meet after school to work on projects with Miss Thorpe.

Their activities include skits, improvisations, and mime. A Christmas program was presented to most of the elementary schools in the district.

This year Sr. Women's Club sold key chains to give recognition to the football team's conference championship. They also set up hospitality rooms for the referees at the J.V. conference wrestling tournament and for parent's night at the last home basketball game.

The French Club had many activities to fulfill another year at M-RH. The fall brought a hayride for the French Club and French classes. Christmas was the time for caroling for the students. They saw a play at the Loretto Hilton, followed by horseback riding, a picnic in the Spring, and a French luncheon at Andre's Swiss Chalet early in April.

The Club had 30 members with Kathy Anderson as president, Debbie Kinchelar as vice-president, and Betty King as secretary-treasurer as pictured at left.

The Spanish Club's activities were limited this year because of the preparation for the trip to Mexico. Members went to a Spanish restaurant and ate while being serenaded by Spanish music and songs. The club won first place in the car-float contest in the Homecoming Parade for the third year in a row. About 15 members of the Spanish Club participated in the trip. Their means of going relied on many fund-raising projects in which other members of the club who couldn't partake in the trip this year donated their help to the cause. The trip involved visiting such places as Mexico City, Acapulco, Taxco, and some parts of Texas. On the trip they enjoyed the different way of life, the bullfights, the cliff divers, shopping, and bargaining in the markets.

The trip proved not only to be educational but also enjoyable. The hope is that the trip will be carried on every other year.

The year started out great for German Club students. 17 students were in Germany when it all began. The 6 week trip to Germany proved to be a very exciting and educational experience for those students returning from Germany. They looked forward to the arrival of German students to visit them for a while in the spring.

As always, the German Club was a very active club. They held a welcoming initiation party for new members. Other activities included a banquet with teacher/student prepared authentic menus, a Christmas party, Fischebushaus, a picnic and lake and a banquet.

The candy sale and talent show were the big fund raising projects which largely supported GAPP (German American Partnership Program). This program helped finance the student's trip to Germany.

# THE SCREAM MACHINE

PEP CLUB OFFICERS- N Grommet, Pres.; C. Hanley, Sec.; B. Cotner, Treas.; J. Condit, V. Pres.

The Pep Club was a very important part of the revived school spirit at MRH. The Club really got things rolling with their spirit weeks, the crazy pep assembly, and the biggest event of sponsoring two Blue Devil Mascots for the entire year. The mascots and pep club members showed their loyalty by giving our Blue Devils a lot of their time and hard work. The Scream Machine stuck with the Blue Devils and cheered them to victory.

G. Gaskin, R. Belk, C. Gruendler, B. Jackson, G. Collins.

Swaying to the music of "The Sting" and waving their blue and white pom-poms was only part of the work the 23 members of the 1974-75 pom-pom squad did this year. The girls performed during halftime at football and basketball games and also during halftime of the soccer game on Feb. 3 to help the Junior class raise money. For the third year in a row the girls were invited to perform in the Veiled Prophet Parade. They also decorated a car for the Homecoming Parade.

Miss Patterson and Miss Buckner were the sponsors of the very active and talented 1974-75 pom-pom squad.

Left to Right: P. Zweifel, L. Russo, C. Long, C. Hanley, L. Smith, D. Bantel, C. Baldwin

We've got spirit, yes we do! So go the cries of the M-RH Varsity Cheerleaders. Captain Donna Bantel, along with her squad of five cheerleaders and the Blue Devil mascot, Chris Hanley, lifts the spirit of the crowd and leads them in cheer. The cheerleaders have a year long job and must devote a lot of their time to make each game more spirited than the last.

# J.V. CHEERLEADERS

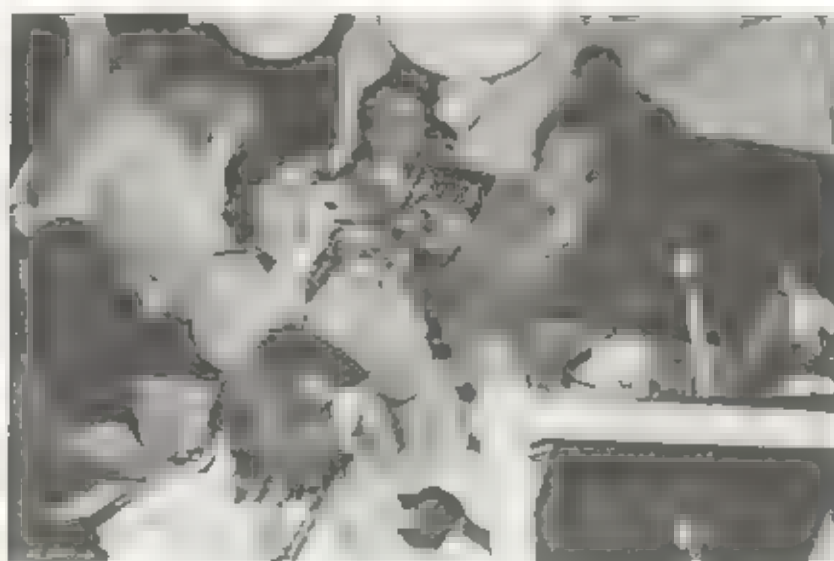

*Kneeling K. Baur, R. Peterson, L. Johnson, Center B. Cotner, Standing J. Love, C. Norful, L. Fiddmont*

New basketball uniforms and new cheers have been the trademarks of this year's Junior Varsity Cheerleading Squad. The captain, Lydia Johnson, co-captain, Connie Norful, and the other girls have given the Junior Varsity and Freshman teams support and backing all year. The hardworking squad put in many hours of practice this year. In addition to their cheering activities, they had a bake sale and marched in the Homecoming Parade.

*Fine! Fine! Fine!*

"Music, the greatest good that mortals know, and all of heaven we have below." No one can doubt that there is a bit of heaven here when the choir sings. Under the direction of Miss Osman, the choir has upheld the high standard set by the 43 previous choirs.

The thirty-two member ensemble has been a respected representative of the school. The A Cappella Choir has performed in the annual Christmas and Spring concerts, assemblies, churches, and various programs. The choir should be congratulated for their very fine performance at the Suburban Musical Festival in April. Their efforts and Miss Osman's dedication are greatly appreciated by everyone at M RH.

The A Cappella Choir performs for the Junior High assembly.

# TREBLEAIRES

This year they have performed for various community activities, churches, forums, the Annual Spring and Christmas concerts, and a music festival at Meramec Community College.

The accompanist for this group is Sue Alexander.

This year's cross country team, coached again by Coach Al Rohlfing, was basically a young team and suffered through a disappointing 1974 season. The year was highlighted by the team's trip to NWMSU to compete in 1974 Marvillie invitational and a victory in a tri-meet over the Jennings Warriors and the Bayless Broncos. The team's No. 1 runner throughout the year was junior, John Williams

Bruised knees, twisted ankles, and cold noses. Sound like fun? This year M-RH had its first organized soccer team since 1956. The young team was coached by Mr. Jim Counts, who also helped bring soccer to M-RH. In its first year, the team did not belong to a league. All the games were scheduled with any available school.

# VARSITY BASKETBALL

The M-RH varsity basketball team, under Coach Joe Gordin, proved to be very exciting. There were many close games decided by one or two points, some of which went into overtime. The Devils also placed second in the Priority Tournament and fifth in the Suburban Conference Tournament. Junior Guy McClure was named to the Suburban League All-Conference third team and Senior Kevin Miller received an honorable mention. The season ended with a 10-14 record.
